PPMS has acquired various certificates and is an active member of various pest control organization and manufacturers such as IPCA, Bayer and UPL.

➤ ABOUT OUR COMPANY

Premium Pest Management Services is a renowned Pest Control Company in Eastern India. Having adapted the latest technologies and Approved pesticides that have been successful in controlling pests in renowned industries, hospitals, hotels, apartments, houses etc. We believe firmly that it is very essential for us to understand and be responsive to the needs of our clients, their business, their concerns and their priorities to serve them better. We will continue to provide our clients with high quality services with choice and flexibility in time and cost. Communicate with our clients, seek their feedback and respond to their views. Treat our clients as we would wish to be treated ourselves. We believe in being the best at what we do, and bring in the following service differentiation: – Regular Pest Audits, Environment friendly and human safe chemicals, ERP based systems for service scheduling & Fast response in case of call-outs.

➤ OUR VISION

To become the country's most reliable Pest Management group and keeping the county pest free and hygienic environment. One Team, one goal, lets save the environment.
To be the most valued pest management partner of all our clients.

➤ OUR MISSION

To continuously deliver quality services with consistency to all our clients making them pest free. To provide eco-friendly services to save the environment.
To sustain a high level of training and support for our people to consistently provide quality service to our clients. To provide cost effective and modern technology to our clients.

➤ OUR VALUES

Clients and staff!

Passion given to all levels of work.

Innovative idea and thought process.

Exciting opportunities and the Future.

➤ OUR SERVICE ASSESSMENTS

We follow the ERDM principle (Exclusion – Restriction – Destruction– Monitoring & Documentation), the philosophy being that prevention is always better than cure. We will work in partnership with you to help maintain a pest free environment through effective implementation of the ERDM process:

Exclusion – Prevent a pest from entering the premises

Restriction – Preventing a site becoming hospitable to pests

Destruction – Eradication or removal of the infestation.

Monitoring and Documentation– Regular Monitoring and maintaining the documentation.

CHOOSING US AS YOUR PEST MANAGEMENT COMPANY OFFERS YOU THE FOLLOWING KEY BENEFITS

- Fully trained and qualified executive and technicians.
- Demonstration of recognized Health & Safety procedures.
- Application of the Exclusion Restriction, Destruction & Monitoring.
- Appropriate Public Liability Insurance and other Insurance Policies.
- Having all licenses which are legally required for Pest management Operations.
- Maintain proper updated documentation and submit the required reports on time.
